

Creativity, Collaboration, Information

Analogue writing on whiteboards results in more effective collaborative processes, more creative solutions and greater transparency in projects. The basic principle is: the larger the writing surface, the more functional it will be. Moreover, visual management methods such as Scrum and Agile now even mean that whiteboard walls are almost indispensable in organisations.

Our modular Chameleon panels allow you to create a virtually seamless writing surface, made of the highest quality enamel.

VisuWall and Modular Wall Panels

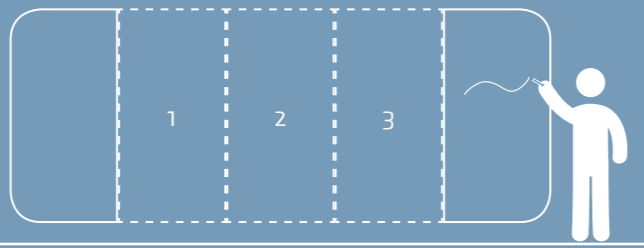

VisuWall

Visualise your plans, ideas and projects on this unique whiteboard wall. The black lacquered edges and rounded corners give this product it's distinctive appearance.

VisuWall is delivered as one complete package, including panels and a dummyproof assembly set. The wall is available in 3 different lengths.

| Art. nr. | Total width | Height | Number of panels included in package | Radius angles |
|-----------|-------------|--------|--------------------------------------|---------------|
| 16006.001 | 294 cm | 198 cm | 3 | 140 mm |
| 16006.002 | 392 cm | 198 cm | 4 | 140 mm |
| 16006.003 | 490 cm | 198 cm | 5 | 140 mm |

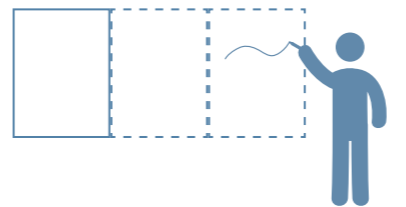

Modular panel, size 88 x 118 cm

Art. nr.: 16001.029

With these panels, a horizontal strip can be created at the ideal writing level. Examples of applications are classrooms and workplaces where there is no room or budget for a complete whiteboard wall.

These panels can be ordered per piece, including a dummyproof assembly kit.

Panel size of 120 cm is the perfect writing height when the board is hanging 80 cm off the floor.

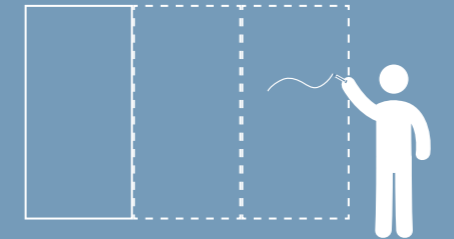

Modular panel, size 98 x 198 cm

Art. nr.: 16001.025

Create a complete whiteboard wall? By connecting these panels vertically, you can create a large writing surface which is 2 metres high and as wide as you want. Examples of applications are the use of visual management techniques like Scrum and Agile.

These panels can be ordered per piece, including a dummyproof assembly kit.

Perfectly suited to create an extensive writing wall. Think big!
