

Chameleon Writing Shapes

- Specifications -

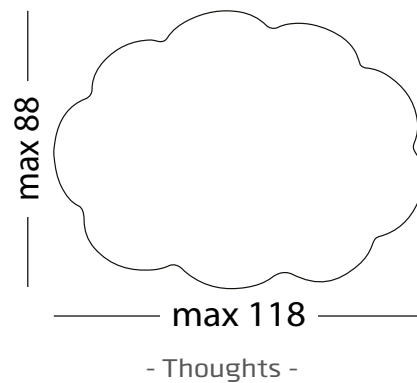

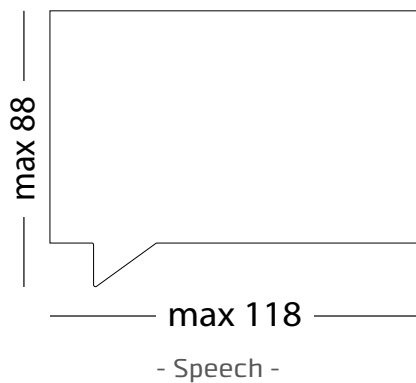

Speak out!

With these creative whiteboards in your staff area or team room, you can encourage your colleagues to share and exchange ideas. Sometimes fun bits of personal information can be written on them, like a colleague's birthday. But simple ideas from employees can also lead to improved work processes, for example. It's important that everything may be put in writing, and these forms contribute.

General

Article number	Shape	Size	Surface	Gross weight	Nett weight
